As to the most desirable location in town, and containing a lot and health, including all seasons of the year, we deny that ANY OTHER CITY HAS MORE. A common error exists in the minds of many students relative to the place of studying medicine; those who intend practising among the diseases of the West and South should

certainly educate themselves at a School whose Faculty are practically acquainted with those diseases. That the public may be satisfied of the permanency of this and experience implicit confidence may be placed. hool, we feel it our duty to state, that the Trustees and Faculty form a UNIT in action, which augurs well for its future success; and that the peculiar internal organization

As citizens of the old North State, every individual is bound to support its name, as well as its claims, in this great confederacy of the Union. The humblest of our citizens may, like Benjamin Franklin, be yet ranked among the noblest of our race, and as we are not aware of how or where the scion may be found amongst us, let us philanthropically lay the means of education upon the broad basis of "goodly numbers at low rates," and make sure of imparting the elements of sound useful intellectual culture.

We conclude the above appeal to the honor, patriotism, and philanthropy of our fellow-citizens of the surrounding counties, honing that it may not be ineffectual, as its object. Ascitizens of the old North State, every individual is bound

THE second session of this Academy will commence on the 15th April, and the managers (Messrs. Bunyan Barnes and James Daniel,) have convinced themselves so far of the practicability of supporting a good School, when under the management of judicious instructors, that they have engaged a young lady of superior classical acquirements to assist Mr. Robinson, under whose management, as Principal, tuition will be imparted in the English and Mathematical branches as usual.

Terms per session of five months.

Your agent, we will cheerfully state what we have known of the effects of your CHERRY PECTORAL and they have been astenishing indeed. Mrs. Betsey Streeter had been afflicted with a severe and relentless cough, which reduced the receivery. Numerous remedies had been tried without effect, before the Cherry Pectoral. THE BENEFITS OF ADVERTISING. TYTE learn that Dr. S. P. Townsend has sold out the good W will of his Sarsaparilla business, including machinery and raw material on hand, for the large sum of \$100,000.— This is an illustration of the advantages and benefits of advertising. The purchasers are Messrs. Nostrand & Bach, both wealthy and well known individuals. They have, we understand, employed the celebrated Chemist, Dr. James R. Chilton, who will hereafter have the compounding department under his own immediate supervision. They are men of enterprise, and will, no doubt, sustain the character of this celebrated medicine, which has the reputation of being the best preparation of Sarsaparilla made in the United States. The new proprietors, we understand, warrant their article to The remargable cures of diseases of the Lungs which have stand in all climates any length of time, which we have no Professor Chilton, who is well known to be one of the first chemists in this country.

The public are hereby notified that the preparation extensively known as Dr. S. P. Townskno's Compound Extract OF SARSAPARILLA, is now manufactured under my direction and supervision, from the ORIGINAL RECIPE obtained from Dr. some of the first men in our country, upon whose judgment | S.
